DVV Clarification	HEI Response
Please note that same course offered in different years is considered as one course.	<ul style="list-style-type: none"><li>• As Metric 1.2.1 has asked for the Number of Value Added Courses offered during the last five years, HEI has considered all the Value Added Courses offered to the students during the last five years.</li><li>• Even though 37 courses have been offered more than once in different years, the courses have been offered for different batches of students. So, HEI has added those courses for the total number.</li><li>• HEI requests DVV to accept all the courses offered by HEI for different batches of students.</li></ul>
